

A DISCOVERY TO YOUR BEST MOVIE STREAMING CHANNEL

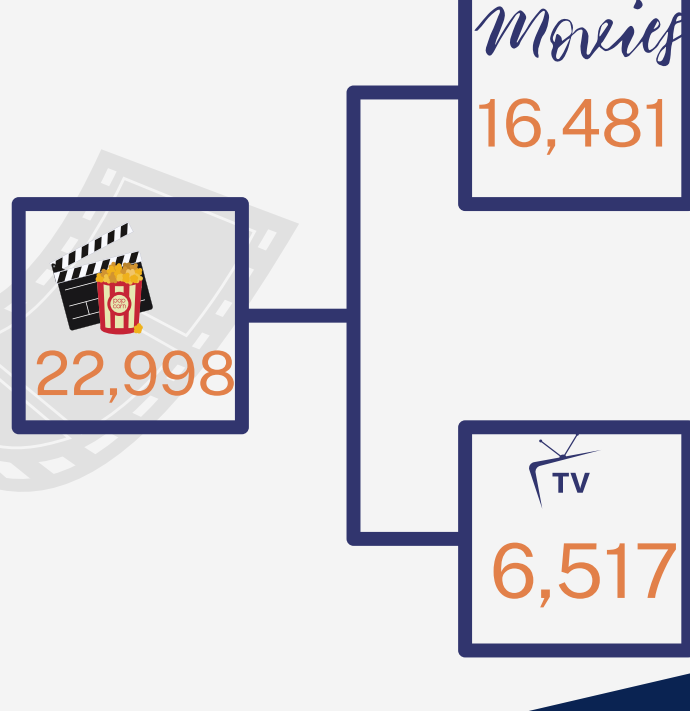

Who has got it the most, and in what aspect?

Do you know that out of **22,998**

combined TV Shows and Movies added from Amazon Prime, Netflix, Disney+, and Hulu up to 2021...

85%

of them are from Amazon and Netflix. Although Amazon Prime has more **Movies** than Netflix but the later has more **TV Shows** than the former.

HOWEVER...

... has the most content across other channels @ **9,668**

Amazon

42%

followed by

NETFLIX

38.3%

hulu

13.4%

Disney+

6.3%

Rating by active subscribers across the four channels, **Netflix** has the most active subscribers in the market space, followed by **Amazon**. The least is **Hulu** since their subscribers are only in the **US**.

Hulu

7.4%

Hulu is only in USA

Disney+

25.9%

Netflix

35.2%

634M

Channels	Free Trial	Trial Days	Rate (\$)	Student Discount
Amazon	Yes	30	8.99	6 Months + 50% after
Disney+	No	0	6.99	15% Yearly
Hulu	Yes	30	6.99	70% Monthly
Netflix	No	0	9.00	None

SORRY

Before now, NETFLIX used to offer 30 days free trials, at least during the covid year. But recently, no more freebies...

Oops!

Last 5-Year Contents by Channels

Hmm... over the last three years, Amazon's Prime Video has been beating Netflix in the competition of adding overall show contents

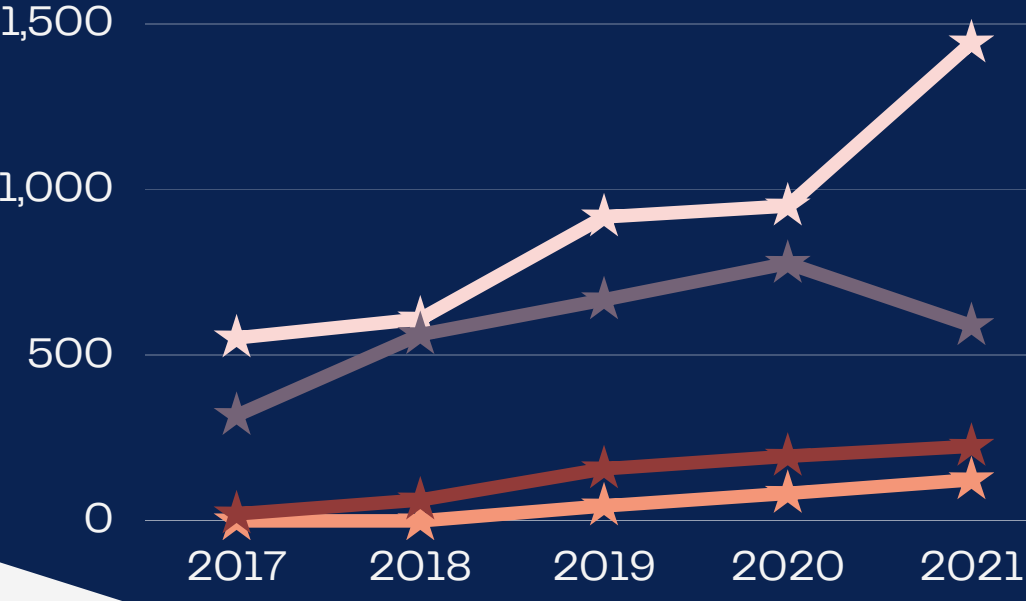

Overall,

6 in every 10 Shows were added same year they were released

Trend of Same-Year Releases in the last 5 years by Channels

shows that

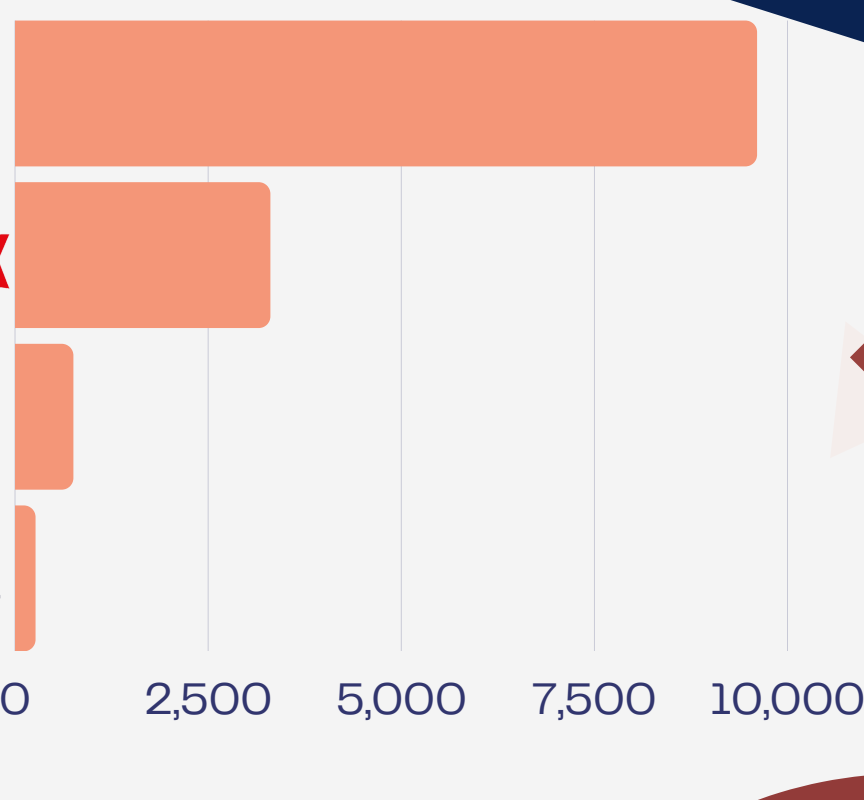

amazon prime video

NETFLIX

hulu

Disney+

Overall Same-Year Released Contents by Channels

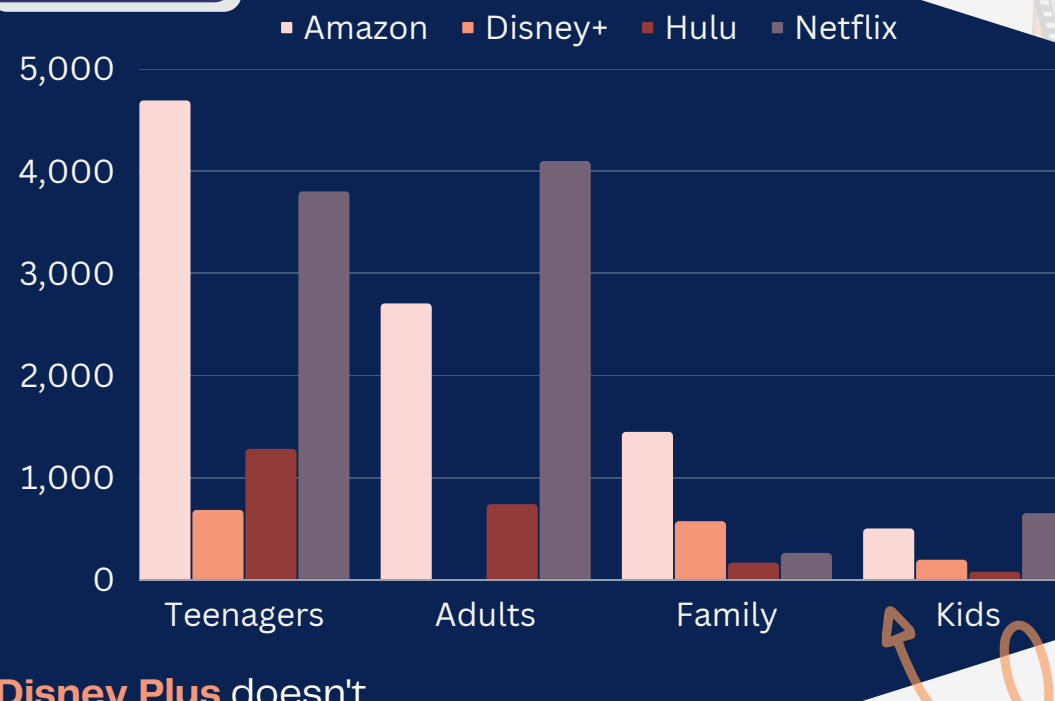

Amazon Prime has more new contents than every other streaming channel

9.6% of the total shows were added 1 year after they were released

while...

30.2%

of the total shows were added more than 1 year after they were released

Distribution of Channels across Viewing Levels

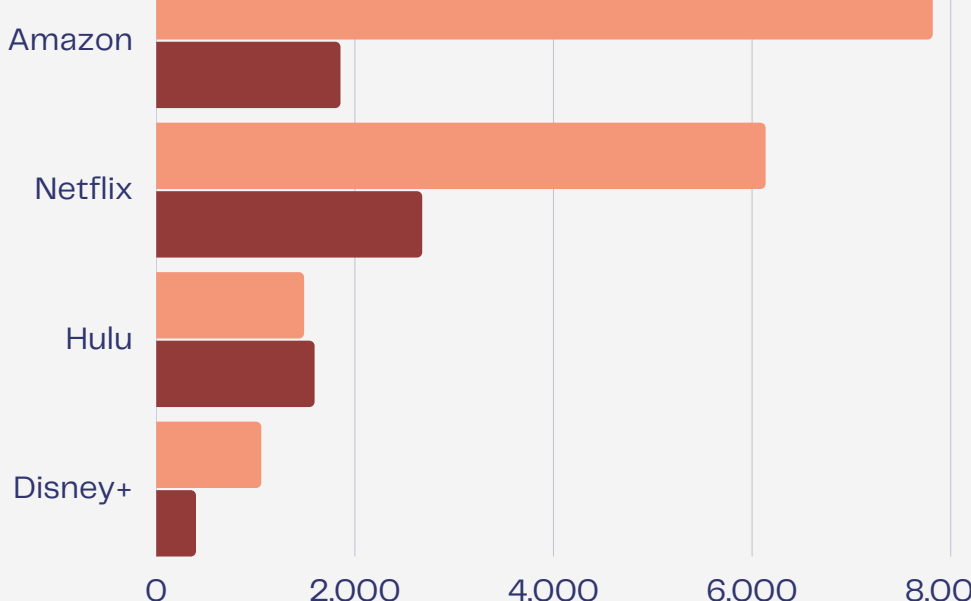

Disney Plus doesn't want to endanger our young people... **No adult content!**

Facts

Hulu is the only Channel that has more TV Shows than Movies within its platform

Netflix is the Channel with the most Subscribers, TV Shows, and Adult contents

Amazon is the Channel with the most Movies, Newer Contents, Student Discounts, and Non-Adult contents.
